an alabama story is based on the accounts a southern man living in alabama related to the author he will here be referred to as billy bob when hammarberg came across billy bob he was able to share in captivating tales of billy bob s family life and how he and his family here called the hix had interacted with their surrounding community when billy bob let the author share in his tales he made the author swear that he wouldn t let anyone else hear about them yet the author decided that these tales were simply too remarkable for the world to be denied them hence this book was written a compilation of the tales billy bob had told the author about a year in the life of the hix family hopefully billy bob will forgive hammarberg for breaking his vow and publishing the book billy bob insisted that even though many of his tales simply
