there is a patch of ground in tennessee dedicated to the science of death where human remains lie exposed to be studied for their secrets the real life scientist who founded the body farm has broken cold cases and revolutionized forensics and now he spins an astonishing tale inspired by his own experiences renowned anthropologist dr bill brockton has spent his career surrounded by death at the body farm now he s being called upon to help solve a baffling puzzle in a remote mountain community the mummified corpse of a young woman dead for thirty years has been discovered in a cave the body bizarrely preserved and transformed by the environment s unique chemistry but brockton s investigation is threatening to open old wounds among an insular people who won t forget or forgive and a long buried secret prematurely exposed could inflame brockton s own guilt and the dangerous hostility of bitter enemies determined to see him fail by any means necessary with fascinating insider information on the body farm

there is a patch of ground in tennessee dedicated to the science of death where human remains lie exposed to be studied for their secrets the real life scientist who founded the body farm has broken cold cases and revolutionized forensics and now he spins an astonishing tale inspired by his own experiences renowned anthropologist dr bill brockton has spent his career surrounded by death at the body farm now he s being called upon to help solve a baffling puzzle in a

remote mountain community the mummified corpse of a young woman dead for thirty years has been discovered in a cave the body bizarrely preserved and transformed by the environment's unique chemistry but Brockton's investigation is threatening to open old wounds among an insular people who won't forget or forgive and a long buried secret prematurely exposed could inflame Brockton's own guilt and the dangerous hostility of bitter enemies determined to see him fail by any means necessary with fascinating insider information on the body farm

forensic anthropologist Dr Bill Brockton is on the verge of breaking open a gruesome murder case when a killer places another corpse in Brockton's recreated death scene at the body farm now Brockton's career and even his life is in jeopardy

a forensic anthropologist tracks the field's increasing sophistication as reflected by cases throughout his career describing such newer technologies as dna processing and electron microscopy and examining past cases in which new developments proved pivotal

new york times bestselling author jefferson bass delivers an authentic and knuckle biting thriller in which forensic anthropologist Dr Bill Brockton must confront a crime of unimaginable proportions on his own doorstep find out why booklist says fans of forensic fiction will want to add this author to their list of favorites the bone thief Dr Bill Brockton has been called in on a seemingly routine case to exhume a body and obtain a bone sample for a dna paternity test but when the coffin is opened Brockton and his colleagues including his graduate assistant Miranda Lovelady are stunned to see that the corpse has been horribly violated Brockton's initial shock gives way to astonishment as he uncovers a flourishing and lucrative black market in body parts at the center of this ghoulish empire is a daring and prosperous grave robber soon Brockton finds himself drawn into the dangerous enterprise when the fbi recruits him to bring down the postmortem chop shop using corpses from the body farm as bait in an undercover sting operation as Brockton struggles to play the unscrupulous role the fbi asks of him his friend and colleague medical examiner Eddie Garcia faces a devastating injury that could end his career exposed to a near lethal dose of radioactivity Dr Garcia has lost most of his right hand and his entire left hand out of options he embarks on a desperate quest both of his ravaged hands will be severed at the wrist and replaced with those from a cadaver but unless suitable ones are found soon the opportunity will be lost as Brockton delves deep into the clandestine trade he is faced with an agonizing choice is he willing to risk an fbi investigation and his own principles to help his friend will he be able to live with himself if he crosses that line will he be able to live with himself if he doesn't and as the criminal case and the medical crisis converge a pair of simpler questions arise will Dr Garcia survive and will Brockton

bass is the real deal kathy reichs the sixth electrifying forensic

mystery by author jefferson bass a fresh voice in the crime novel arena seattle post intelligencer the bone yard is the most gripping installment yet in the new york times bestselling body farm series called away from tennessee s renowned body farm the real life human decomposition laboratory around which these remarkable thrillers are based dr bill brockton discovers the dark side of the sunshine state when he s called in to investigate human remains found on the grounds of a florida boys reform school rich in authentic forensic detail and featuring a protagonist as involving as crime fiction s most popular medical examiners including patricia cornwell s kay scarpetta karin slaughter s sara linton and kathy reichs s star forensic anthropologist temperance brennan the bone yard is unassailable evidence that this series just keeps getting better booklist

in his investigation of a suspicious death in which the victim s remains were found in a burned car forensic anthropologist bill brockton engages in an unorthodox experiment to better understand the case

a forensic anthropologist traces his work at his tennessee body farm lab and cites his contributions to the investigations of several murder cases as well as his theories about such famous cases as the lindbergh kidnapping

jefferson bass s cut to the bone the long awaited prequel to his new york times bestselling mystery series turns the clock back to reveal the body farm s creation and dr bill brockton s deadly duel with a serial killer in the summer of 1992 arkansas governor bill clinton and tennessee senator albert gore begin their long shot campaign to win the white house in the sweltering hills of knoxville at the university of tennessee dr bill brockton the bright ambitious young head of the anthropology department launches an unusual some would call it macabre research facility unlike any other in existence brockton is determined to revolutionize the study of forensics to help law enforcement better solve crime but his plans are derailed by a chilling murder that leaves the scientist reeling from a sense of déjà vu followed by another and then another bodies that bear eerie resemblances to cases from brockton s past but as the body count rises the victims fatal injuries grow more and more distinctive a spiral of death that holds dark implications for brockton and everyone he holds dear

dr bill brockton the founder of the world famous body farm is hard at work on a troubling new case a young man s battered body has been found in nearby chattanooga and it s up to the talented dr brockton to assemble the pieces of the forensic puzzle brockton is brought into the case by the rising star of the state s mechanical examiners jess carter just as they re on the verge of breaking the case open events take a terrifying turn brockton has re created the chattanooga death scene at the body farm but a killer tampers with it in a shocking way placing another corpse at the setting confusing authorities and putting brockton s career and life in jeopardy soon

brockton himself is accused of the horrific new crime and the once beloved professor becomes an outcast as the net around him tightens brockton must use all of his forensic skills to prove his own innocence before he ends up behind bars with some of the very killers he s helped to convict flesh and bone is another roller coaster ride into the world of forensic anthropology its twists and turns marked by drama and pathos humor and grief families and friends and enemies with captivatively real characters plus fascinating scientific insights drawn from the case files of a living forensic legend this astonishing novel confirms jefferson bass as one of our most talented authors of suspense

dr bill bass work and in particular his body farm has furthered forensic anthropology and made it possible to prove from the discovery of a skeleton no matter how much time has elapsed since death how and when death occurred and to whom the body belonged his work has been vital for the sake of science and the cause of justice in beyond the body farm jefferson bass details the most memorable cases from his career including alibis he has broken cold cases he has solved including one from the ancient world that took him to iran and several cases he has been able to revisit throughout his career as new techniques have become possible and scientific discoveries made this is what happens when dr bass goes beyond the body farm

called in by chattanooga medical examiner jess carter to investigate the death of a young man forensic anthropologist bill brockton is subsequently framed for jess s murder forcing him to apply his investigative skills to prove his innocence

dr bill brockton is in the middle of a nuclear terrorism disaster drill when he receives an urgent call from the nearby town of oak ridge better known as atomic city home of the bomb and the key site for the manhattan project during world war ii although more than sixty years have passed could repercussions from that dangerous time still be felt today with his graduate assistant miranda lovelady brockton hastens to the death scene where they find a body frozen facedown in a swimming pool behind a historic crumbling hotel the forensic detectives identify the victim as dr leonard novak a renowned physicist and designer of a plutonium reactor integral to the manhattan project they also discover that he didn t drown he died from a searing dose of radioactivity as that same peril threatens the medical examiner and even miranda brockton enlists the help of a beautiful enigmatic librarian to peel back the layers of novak s life to the secret at its core the physicist s house and personal life yield few clues beyond a faded roll of undeveloped film but everything changes when brockton chances upon novak s ninety year old ex wife beatrice charming and utterly unreliable she takes him on a trip back into oak ridge s wartime past deep into the shadows of the nuclear race where things were not quite as they seemed as beatrice drifts between lucidity and dementia brockton wonders if her stories are fact or fancy history or myth but he knows one thing that she holds the key to a mystery that is becoming increasingly labyrinthine

for as the radiation count steadily rises and the race to find the truth intensifies the old woman's tales hint at something far darker and more complex than the forensic anthropologist himself could have ever imagined

fans of the forensics oriented novels of such mystery writers as kathy reichts and patricia cornwell not to mention television series like csi crime scene investigation will make an eager audience for this one booklist on a patch of land in the tennessee hills human corpses decompose in the open air aided by insects bacteria and birds unhindered by coffins or mausoleums this is bill bass's body farm where nature takes its course as bodies buried in shallow graves submerged in water or locked in car trunks serve the needs of science and the cause of justice in death's acre bass invites readers on an unprecedented journey behind the gates of the body farm where he revolutionized forensic anthropology a master scientist and an engaging storyteller bass reveals his most intriguing cases for the first time he revisits the lindbergh kidnapping and murder explores the mystery of a headless corpse whose identity astonished police divulges how the telltale traces of an insect sent a murderous grandfather to death row and much more includes photographs

early summer brings warm weather to the body farm in east tennessee but dr bill brockton's about to get more heat than he bargained for investigating the discovery of skulls found in rural woods in florida brockton finds skeletons in surprisingly prominent closets

notorious criminals have captured our imaginations for years and years but we don't forget either the many people and organizations who fight back j edgar hoover and eliot ness have entered into the american psyche as two of our most aggressive and successful crime fighters still there are others who have risen to the occasion combating crime in all its manifestations from the u s marshals fbi agents and secret service to rudy giuliani john walsh host of america's most wanted and joseph pistone aka donnie brasco this set highlights some of the nation's bravest crime stoppers icons of crime fighting will enlighten the curious mind with a comprehensive overview of the most successful the most well known and the most important crime fighters in recent american history part of our national culture these figures represent all that is good about the american justice system moreover they exemplify how individuals in the criminal justice system have made a real difference in law enforcement these titans of law enforcement are profiled in this important and timely set those covered in the set include gun fighters u s marshals of the old west allan pinkerton the texas rangers august vollmer j edgar hoover and the fbi thomas dewey robert kennedy jim garrison buford pusser eddie egan and sonnie grosso bob woodward and carl bernstein francisco vincent serpico joe pistone aka donnie brasco vincent t bugliosi john walsh fbi profilers sheriff joe arpaio mark fuhrman rudolph rudy giuliani curtis sliwa dr henry lee and dr bill blass

this two volume encyclopdia through multidisciplinary and international contributions and perspectives organizes defines and clarifies more than 300 death related concepts

all bones tell a story you just have to know how to read them forensic anthropologists can tell if found bones are from a human or an animal are male or female and how a person lived and died readers will discover the techniques forensic anthropologists are using to solve both modern and ancient crimes

a burned car sits on a tennessee hilltop a woman s lifeless charred body seated inside forensic anthropologist bill brockton s job is to discover the truth hidden in the fire desecrated corpse was the woman s death accidental or was she incinerated to cover up her murder but his research into the effect of flame on flesh and bone is about to collide with reality like a lit match meeting spilled gasoline the arrival of a mysterious package a set of suspiciously unnatural cremated remains is pulling brockton toward a nightmare too inhuman to imagine and an old nemesis is waiting in the shadows to put him to the ultimate test one that could reduce brockton s life to smoldering ruins

miranda lovelady dr bill brockton s protégé is spending the summer helping excavate a newly discovered chamber beneath the spectacular palace of the popes in avignon france there she discovers a stone chest inscribed with a stunning claim inside lie the bones of none other than jesus of nazareth faced with the case of the millennium miranda summons brockton for help proving or refuting the claim both scientists are sceptical after all fake relics abounded during the middle ages but the evidence for authenticity soon grows brockton and miranda link the bones to the haunting image on the shroud of turin revered by millions as the burial cloth of christ and a laboratory test finds that the bones are 2 000 years old the finding triggers a deadly tug of war between the anthropologists the vatican and a deadly zealot who hopes to use the bones to bring about the second coming and trigger the end of time set against an international landscape and weaving a rich tapestry of religion history art and science the bones of avignon takes jefferson bass to an exciting new level of suspense
